6. OLD BUSINESS
   A. RULE REVISION Administrator Moseley provided the managers with an update on the rule revision process. One written comment was received on April 17th and is being reviewed by the district attorney. A resolution will be drafted for the May meeting.

   B. CH/HR UPDATE Administrator Moseley worked with the district attorney to secure bond counsel and will move forward under his guidance. Engineer Carlson anticipates final specs from Wenck in May or June, estimates finalizing costs in July and plans for construction in August or September. Administrator Moseley will coordinate a letter to residents updating them on the status of the project and PSIG funding.

   C. KIMBALL AND ANNANDALE EXPO Managers Homuth and DeGree attended the Kimball Expo on April 6th and Administrator Moseley and President Schiefelbein attended the Annandale Expo on April 13th. Public input surveys were collected at both events as part of the 10-year comprehensive planning process.

   D. BASS LAKE AIS Engineer Carlson met with the Bass Lake board on April 6th to discuss project options and next steps. Administrator Moseley will coordinate with Connie Crane to invite lake residents to the May meeting. Engineer Carlson will provide an updated presentation at that meeting.

   E. MONITORING AND MAINTENANCE
      a. WATER QUALITY MONITORING Motion by Jonsrud, second by Homuth to approve the water quality monitoring plan presented by Engineer Carlson which includes twelve lakes and nine stream sites. Motion 19-4-5 carried unanimously.

      b. SCHOOL SECTION LAKE MAINTENANCE Motion by Jonsrud, second by Homuth to approve up to $2,000 in maintenance costs for the School Section Lake Outlet. Motion 19-4-6 carried unanimously.

      c. FISH BARRIERS The board gave direction to Engineer Carlson to pursue cost estimates for replacing the Henshaw fish barrier, repairing the Segner Pond barrier and installing wing walls on the Illselye Avenue barrier.

      d. TELEMETRY The board would like to explore telemetry options for School Section Lake and Grass Lake Dam. Engineer Carlson will provide additional details at the next meeting.

      e. VEGETATIVE MANAGEMENT Motion by Uecker, second by Jonsrud to move forward with PRI for vegetative management and no overseeing. Motion 19-4-7 carried unanimously.
