allow more funding to be held in a liquid fund.

7. OLD BUSINESS
   a. **2019 O&M ROLLS** Amy Juntunen (Judie Anderson's Secretarial Service, JASS) plans to have this project completed by tomorrow for review. Engineer Carlson will follow up with Wright, Meeker and Stearns counties.
   b. **CH/HR UPDATE** Engineer Carlson provided an update on Clearwater Harbor/Hidden River. The board plans to send an update to the landowners and a letter to representatives in advance of the legislative season.

8. NEW BUSINESS
   a. **BASS LAKE AIS PROJECT** Petition to begin an aquatic invasive species project was received from Bass Lake Association, but the check for $2,000 has not been received. Staff will follow up about payment and begin the process once payment is received. Engineer Carlson will count parcels and administrator Moseley will manage the project initiation process.
   b. **COUNTY DITCH 20** Staff and manager Schiefelbein met with the landowner on site regarding concern over needed maintenance for a 1980 project on Meeker CD 20. Based on preliminary field observations, Engineer Carlson estimated to potential scope of maintenance needed and recommended a field survey and review of as-buils. The board authorized a field survey to assess maintenance needs and a review of as-built drawings. A maintenance plan will be presented at the next regular board meeting, or when all the information is obtained.
   c. **SCHOOL SECTION LAKE** Administrator Moseley shared a request from the Stearns County AIS Committee to partner on management of Eurasian Milfoil in School Section Lake. The board agreed the District would not get involved in the management of this issue without a formal request from the property owners in that region.

9. OTHER BUSINESS
   a. **ALBION TOWNSHIP** Engineer Carlson will be attending the Albion Township meeting tomorrow to discuss fish barriers and will report back at the next meeting.
   b. **CLEAR LAKE PROPERTY OWNERS ASSOCIATION** Engineer Carlson spoke to Bruce Hall about data collection and confirmed the District’s ongoing monitoring efforts.
